Home
This pack is designed to teach students common words for items found in the home. Click on Supplemental Material for additional resources including the Slide Key.

Supplemental Material

Leisure & Recreation
This pack is designed to teach students common words related to leisure and recreation. It encourages students to identify and explore activities they might find enjoyable and incorporates ideas and discussion points to help students access activities with more independence. Click on Supplemental Material for additional resources including the Slide Key.

Supplemental Material

Letters & Sounds (Animal Alphabet)
This pack is designed to teach students the letters of the alphabet and their corresponding sounds while simultaneously helping students to identify animals and words for animals. It provides opportunities for students to practice basic concepts, learn common characteristics, promote critical thinking, and expand knowledge.
